Flavorcan International Inc. is proud to announce a newly acquired Halal Certification.

We are pleased to introduce Halal certified flavours. All products which are certified Halal will be in accordance and permissible under Halal certifications requirements. Flavorcan is continually updating a comprehensive list of products that are now Halal certified and available to our customers.

"We are always looking for ways to adapt in the market place to offer better products for our customers."

Flavorcan's President Brad Gorassi is fully committed to always increasing the company's growth in the global economy.

About Flavorcan International Inc.

Flavorcan International Inc. is recognized as a leader in its industry, supplying high quality, custom designed flavours to many of the top companies in the food, dairy, confection, beverage, organic, vegan, main meals, food service, pharmaceutical, health, sports nutrition and snack food industries. Our 50,000 square foot state of the art facility and equipment have been built specifically to provide the best products and service possible.

Our newly acquired Halal certificate will join our list of other certifications including: FSSC 22000, NON-GMO Project, Organic, Kosher, Peanut and Nut Free Facility.

Our experienced flavorists will help you create distinctive flavours for your products and will work directly with you to understand your needs and demands. We offer order turn around in 5-10 days, and sample requests within hours, if needed. Contact us today to see how we can help you succeed in the market.
